

2021 Index

Here is the Index to 2021, *Analog's* Volume CXXXXI. Entries are arranged alphabetically by author, with month and page. When the author's name and/or part of the entry's title is omitted, it is the same as that of the previous entry. Multiple entries by the same author are listed alphabetically according to the story/article title. Collaborations are listed under all authors with cross references. Unless otherwise noted, each entry is identified as an Alternate View (av), editorial (ed), fact article (fa), guest editorial (ge), novella (na), novelette (nt), poem (pm), Probability Zero (pz), serial (se), special feature (sf), or short story (ss).

IT'S ANLAB TIME AGAIN

YOUR BALLOT WILL BE AUTOMATICALLY ENTERED IN OUR
DRAWING FOR A FREE ONE-YEAR SUBSCRIPTION!

Welcome to the year 2022! As usual, we're asking you to choose your favorites via the Analytical Laboratory. Not only will your votes provide tangible awards for authors and artists, but your feedback will help guide the selections we offer you in the future. Your vote is important! Please do not vote for any retrospective reprints.

Look over all your copies of *Analog* dated 2021, or refer to the index on the following pages. Pick your *three* favorites in each of the following categories: novella, novelette, short story, science fact article, cover, and poetry. If you're not sure about a piece's category, you'll find it listed both in the Table of Contents for the issue in which it appeared, and in the Index. In the event of a disagreement between the Table of Contents and the Index, the Index should be considered correct. List your choices in order of preference (your favorite in each category is #1) on the ballot below, and either mail it in or send it by email. You can also vote at our website, <https://www.analogsf.com/>. The ballot is intended to make it easier for you to vote, but if you don't want to cut it out, feel free to copy it.

To be sure your vote counts, please have it reach us by **February 1, 2022**.

Please, only vote once! Thank you very much!

Votes via snail mail: AnLab, *Analog*, 6 Prowitt Street, Norwalk, CT 06855.
